

# THE TOWER

A Publication of Cahaba Heights United Methodist Church

## August 2011

### Your New [cahabaheightsumc.org](http://cahabaheightsumc.org) Web Site

The new [cahabaheightsumc.org](http://cahabaheightsumc.org) web site is online and available for your use. The focus on the web site is on keeping our members informed, along with providing information to potential guests. The new site will allow you to stay current with what's happening in your church. Announcements and event changes are posted to the site as soon as they are available. Activity listings and event photos are included.

Each page of the web site includes the church address and phone number, along with a picture of the church front and bell tower. Each page also includes a menu bar that provides easy access to the contents of the entire site. The menu bar divides the web site by tabs and makes finding things simple.

The calendar and events section contains our monthly calendar, a listing of upcoming activities - with graphics if available, plus the Tower Monthly and weekly worship bulletin (with archives of past issues). The latest Tower is available on the web site as soon as it is ready for mailing, and the weekly worship bulletin is normally posted on Friday for the upcoming week.

The children's section lists current children's activities, services, and special children's events, with kid's activity photos, and Vacation Bible School information. This area also has information on Pre-school and Mother's Day Out.

A "Members" page has the current church directory and a list of the current church council. This page is not available to the general public. See Gwen for password information for the Member's page.

Many of the pages on the site include a scripture from the Bible. We will be glad to include your favorite verses if you let us know.

As you explore our web site, you will find a wealth of other information and pictures not listed here. Remember, the information on our web site comes from you. Additional information and pictures that you provide will be used to keep the site current.

With your input, the new web site can be improved to become a part of your day-to-day church experience. For information, ideas and suggestions, please email [danny.taylor@bellsouth.net](mailto:danny.taylor@bellsouth.net), or call Gwen.

A special thanks to Jim Gardner for all his time and efforts in establishing and maintaining the original [cahabaheightsumc.com](http://cahabaheightsumc.com) web site.
